The Voyager Scholarship

THE OBAMA-CHESKY SCHOLARSHIP FOR PUBLIC SERVICE

The Voyager Scholarship was created by the Obamas and Brian Chesky, Airbnb Co-founder and CEO, to help shape such leaders. Even though they come from different backgrounds, both the President and Brian believe that exposure to new places and experiences generates understanding, empathy, and cooperation which equips the next generation to create meaningful change. This scholarship gives college students financial aid to alleviate the burden of college debt, meaningful travel experiences to expand their horizons, and a network of mentors and leaders to support them.
