Help Prevent Bed Bug Infestation

What is the main cause of bed bugs?

They can come from other infested areas or from used furniture. They can hitch a ride in luggage, purses, backpacks, or other items placed on soft or upholstered surfaces. They can travel between rooms in multi-unit buildings, such as apartment complexes and hotels.

Recertifications: Once the recertification packets are sent, all paperwork supporting the household changes must be in the office no later than the 17th of the month, depending on your recertification effective date. Failure to return all required documents could result in either Market Rent and/or termination if no response after 30 days.
